Dear valued Thayer Distribution supplier,

We are proud to announce that Thayer Distribution has joined the Global Data Synchronization Network (GDSN) via our new partnership with 1WorldSync, our GS1 Certified Data Pool provider.

This is an exciting opportunity for growth! As a supplier that currently uses GDSN, you are undoubtedly aware that implementing this service will greatly **expand** your product line at Thayer. As a result, we ask that you respond no later than **December 3rd**, as we are eager to get this implemented.

How to Participate

To participate in this important initiative, please provide the following:

1. Fill out a Thayer Distribution [Trading Partner Form](#)
2. Review the Thayer Distribution [Implementation Guide](#)
3. Publish your GDSN product content to the Thayer Production **GLN 0860001977202**
 - a. Again, we are asking suppliers to publish ASAP (*no later than December 3rd*), so we can offer your full line to our customers.

Technical Support:

If you are new to GDSN or need assistance loading your item data, 1WorldSync can help! Contact 1WorldSync at businessdevelopment@1worldsync.com.

For questions regarding synchronizing GDSN content with Thayer, please contact technicalsupport@1worldsync.com or call 1-866-280-4013.

We are excited about the growth potential for your line and mutual benefit this initiative will provide. We look forward to hearing from you soon.

Sincerely,

A handwritten signature in blue ink, appearing to read "G Gallicchio".
