Data Synchronization Implementation Guide

2 STEPS TO BEGIN SYNCING YOUR DATA WITH LIFE TIME FOUNDATION

2.1 Implementation Steps:

1. Fill out the Trading Partner Form on the Life Time Foundation Landing Page:

<https://1worldsync.com/life-time-foundation>

2. Have your accurate item data loaded into your home data pool and ensure it is ready for publication.

- a) Contact your data pool for any education you might require completing this step.
- b) Ensure you are providing the necessary data attributes requested by Life Time Foundation as outlined in Section 3 of this document.
- c) Have your complete and accurate item data loaded into your GDSN certified data pool and ensure it is ready for publication in Production.
- d) Life Time Foundation will create a subscription based on Manufacturer's GLN.

Specific focus should be inclusion of the following information:

- a. Child Nutrition Labels
- b. Ingredient Lists
- c. Nutrient Labels
- d. Formulation Statements

2.2 Publication Steps

1. Life Time Foundation requests their suppliers to publish ALL items that are suitable for school kids in K-12 and originated in the United States to Life Time Foundation GLN 1200109996061.

2. Publish all items with a Publication Type of "New" for all new publications. Republish as "Initial Load" for items previously published to the Life Time Foundation GLN.

3. Investigate and respond to "REVIEW" CIC responses. Life Time Foundation will provide feedback on publications using the following methods

2.3 Catalog Item Confirmations (CIC's)

Life Time Foundation will automatically return a CIC message to the supplier of "Received". However, the following CICs sent will be based upon the following:

CIC Messages:

RECEIVED: (Auto Generated): Items has been received, but Life Time Foundation has NOT made any GDSN validations. This response will typically be sent once publication for a specific document has been completed.

REVIEW: Item does not pass Life Time Foundation GDSN validations or item has failed audit process and therefore has data discrepancies to be reviewed and addressed. Life Time Foundation will provide a reason as to why specific item hierarchy is in this state for the applicable attribution.

SYNCHRONIZED: Item has fully accepted and loaded into Life Time Foundation's internal system and will be updated as modifications and corrections occur. This response will be sent after all validations and audits have been successfully completed.

REJECTED: Life Time Foundation no longer wants to receive publications or updates for this item to their internal back-end system or the item has been discontinued by the manufacturer or de-listed by Life Time Foundation.

3 ATTRIBUTE REQUIREMENTS
