

Labatt Food Service

Data Synchronization Implementation Guide

Version #1

About Labatt Food Service

We believe having a choice matters.

Labatt Food Service, headquartered in San Antonio, Texas is the tenth largest foodservice distributor in the nation, serving food-away-from-home customers in five states. The company is a third-generation company whose antecedents date to 1910. Since the early 1980s Labatt has grown from 20 employees with \$8 million in sales to over 1900 employees with over \$1.8 billion in sales.

Our mission is to reduce the cost of distribution and grow our customer's business by being "Home of the Best" in three dimensions—best in people; the best national brand product; and the best innovative services.

1 LABATT FOOD SERVICE DATA SYNCHRONIZATION INFORMATION

1.1 Primary Data Synchronization Contact

Name: *Point of contact at Labatt for business-related questions*

Email: *Generic email or point of contact email goes here*

We encourage you to leverage the 1WorldSync [Community Platform](#) to ask questions, learn from your peers, and access other training and reference materials to assist your data synchronization with Labatt Food Service.

1.2 Labatt Food Service's GLN# - 0860011209102

2 STEPS TO BEGIN SYNCING YOUR DATA WITH LABATT FOOD SERVICE

1. Sign up with a GDSN-certified data pool (e.g., 1WorldSync) if you are currently not a customer. To learn about the implementation options offered by 1WorldSync and choose the option that works best for your company you can contact us at: businessdevelopment@1worldsync.com
2. Obtain Education/Training from your data pool or solution provider.
3. Load items into your data pool (e.g., 1WorldSync)
 - Ensure your data is accurate (pack quantities, measurements, weights etc.)
 - Load all item levels in your packaging configuration (hierarchy) – Each, Case, & Pallet
 - Review attribute requirements in Section 3 of this document to ensure you can meet Labatt Food Service's requirements
4. Complete the Labatt Food Service Trading Partner Form located at:

[Labatt Food Service Trading Partner Form](#)

5. Labatt Food Service will create a subscription based on your Information Provider GLN.
6. Publish your existing items as "Initial Load" or "New" for new items in the Production environment.
7. Manage Catalogue Item Confirmation (CIC) Responses from Labatt Food Service:
 - CIC with state of "RECEIVED" means that Labatt Food Service has received your data, but no business decision has been made on the data.
 - CIC with state of "REVIEW" means that Labatt Food Service is asking you look over your data due to discrepant data they cannot synchronize on.
 - CIC with state of "SYNCHRONIZE" means that Labatt Food Service has integrated your data with their backend systems.
 - CIC with state of "REJECT" means that Labatt Food Service did not accept your data.
 - **Note:** Labatt Food Service is using the CIC status details. This will give you clarification on what is discrepant with your data.
8. Send ongoing item maintenance notifications through your GDSN Certified Data Pool (e.g., 1WorldSync) to Labatt Food Service's GLN#.

3 ATTRIBUTE REQUIREMENTS – WHAT INFORMATION DOES LABATT NEED FROM YOU?

The attribute guide can be found on the Labatt Food Service landing page:

[Labatt Food Service Attribute Guide](#)

Please review the Labatt Food Service Attribute Guide for:

- I. Mandatory attributes by GDSN and 1WorldSync to ensure quality and completeness.
- II. 1WorldSync data pool subscribers use the [**Labatt Food Service Playlist**](#) within the Item Management platform. The playlist will ensure that you are not missing any information required by Labatt Food Service for successful synchronization.

Enter "Labatt"
here

The screenshot shows a horizontal bar with a search input field on the right. To the left of the search field are four buttons: "Playlists" with a question mark icon, "All Populated", "Most Popular", and "Basic Item Setup". A red arrow points from the text "Enter 'Labatt' here" to the search input field.
