1 GROVER ELECTRIC & PLUMBING SUPPLY SYNCHRONIZATION INFORMATION

Grover Electric & Plumbing Supply has joined the 1WorldSync Item Management platform to synchronize product content with brand owners and information providers.

They require robust product content to support their Product Detailed Pages (PDPs) website and mobile apps. GDSN allows them to expand their current data ingestion capabilities. All brand owners and information providers can use this document to learn how they can synchronize their product content with Grover Electric & Plumbing Supply via GDSN.

1.1 Primary Data Synchronization Contact

All initial inquiries about how to publish to Grover Electric & Plumbing Supply or attribute inquiries must be directed to 1WorldSync.

Email: businessdevelopment@1worldsync.com

We encourage you to leverage the 1WorldSync Community Platform to ask questions, learn from your peers, and access other training and reference materials that will assist with data synchronization.

If you wish to contact the Grover Electric & Plumbing Supply team, please send a request to the above email. 1WorldSync will help facilitate this.

1.2 Grover Electric & Plumbing Supply GLN - Publish To

Production GLN: 1200180775012

2 STEPS TO BEGIN SYNCING YOUR DATA WITH GROVER ELECTRIC & PLUMBING SUPPLY

2.1 Implementation Steps:

1. Sign up with a GDSN-certified data pool, if not already subscribed. Grover Electric & Plumbing Supply uses 1WorldSync as our data pool

    • Contact 1WorldSync at businessdevelopment@1worldsync.com to learn more about their product content solutions, including GDSN.

2. Fill out the Trading Partner Form (TPF) on the Grover Electric & Plumbing Supply Landing Page: https://1worldsync.com/trading-partners/gg-electric-and-plumbing-distributors

    • Grover Electric & Plumbing Supply will create a subscription based on the GLN shared via the Trading Partner Form.

    • We will inform you via email when we are ready to receive your item data via 1WorldSync

3. Prepare your item data into your home data pool/platform and ensure it meets Grover Electric & Plumbing Supply product content requirements as outlined in Section 3 of this document.

2.2 Publication Steps

1. Publish your items to Grover Electric & Plumbing Supply GLN (1200180775012):

    • Publish items requested by Grover Electric & Plumbing Supply. Brand owners are welcome to share any additional items in their catalog.

    • Note: Grover Electric & Plumbing Supply supports all major retailers and local grocers in the United States and will accept your full US catalog if published.

2. Publish the full item hierarchy as "New Item".

3. Investigate and respond to "REVIEW" CIC responses.

2.3 Catalog Item Confirmations (CICs)

Grover Electric & Plumbing Supply will automatically return a CIC message to the supplier of "Received". However, the following CICs will be sent based on the following:

CIC Messages:

RECEIVED (Auto Generated): Items have been received, but Grover Electric & Plumbing Supply has NOT reviewed the data to ensure its completeness. This response will typically be sent once to confirm receipt, and an updated CIC will follow once the data has been reviewed.

REVIEW: The item does not pass Grover Electric & Plumbing Supply GDSN validations, or the item has failed the audit process and, therefore, has data discrepancies to be reviewed and addressed. Grover Electric & Plumbing Supply will provide a reason as to why a specific item hierarchy is in this state for the applicable attribution so that the supplier can update the item data as required.

SYNCHRONIZED: The item has been fully accepted and ingested into Grover Electric & Plumbing Supply internal system and will be updated as modifications and corrections occur. This response will be sent after all validations and audits have been completed.

REJECTED: Grover Electric & Plumbing Supply no longer wants to receive publications or updates for this item to their internal back-end system, or the item has been discontinued by the manufacturer or delisted by Grover Electric & Plumbing Supply.

3 ATTRIBUTE REQUIREMENTS

The attribute guide can be downloaded from the Grover Electric & Plumbing Supply supplier resource page:

https://1worldsync.com/gg-electric-and-plumbing-distributors/

Please review the Grover Electric & Plumbing Supply Attribute Guide for:

I.   Mandatory attributes by GDSN and 1WorldSync to ensure quality and completeness.

II.   Grover Electric & Plumbing Supply specific conditional and optional attributes.

1WorldSync subscribers must utilize the Grover Electric & Plumbing Supply playlist in the Item Management Platform. This will assist you in completing your item data with attributes required by Grover Electric & Plumbing Supply.

For any questions regarding how to publish your item data to Grover Electric & Plumbing Supply feel free to contact 1WorldSync support team via Community. Browse and/or post a question to receive a response from 1WorldSync subject matter experts or your industry peers!
