Re: Item Data Synchronization

To all our valued suppliers,

G&G Electric & Plumbing Distributors, Inc. has implemented Data Synchronization to better meet the requirements of our customers and to streamline delivery of accurate item information between our systems. To meet these objectives, we request that you begin synchronizing your item data with us via the Global Data Synchronization Network (GDSN).

Please take the following required steps to publish and synchronize your items:

1. To begin data synchronization with G&G Electric & Plumbing Distributors, complete the GDSN supplier trading partner form at <https://1worldsync.com/trading-partners/gg-electric-and-plumbing-distributors>.
2. If your company has implemented GDSN, please review the G&G Electric & Plumbing Distributors Implementation Guide (available at the same site above) on how to synchronize your item data with us.
3. If your company has not implemented GDSN, please select a certified GDSN Data Pool or Solution Provider. G&G Electric & Plumbing Distributors uses 1WorldSync as our certified Data Pool for receiving item publications. If you would like information on how to join 1WorldSync, please reach out to [businessdevelopment@1worldsync.com](mailto:businessdevelopment@1worldsync.com).
4. We request that you publish your entire catalog of items.

We thank you in advance and look forward to partnering with your organization to reach our mutual objective of streamlined delivery of your items to our customers.

For more information and current versions of our data synchronization documents, please visit <https://1worldsync.com/trading-partners/gg-electric-and-plumbing-distributors>.

Sincerely,

G&G Electric & Plumbing Distributors
