

## Steps for Synchronizing GDSN Data with Cardinal Health

To participate in this important initiative, we are asking suppliers to take the following steps:

1. Fill out a Cardinal Health [Trading Partner Form](#) to share critical pieces of information about your organization to begin sharing product content publications via 1WorldSync
2. Complete the Cardinal Health supplier GTIN submission form
  - Note: The GTIN submission form will be sent to you directly from the Cardinal Health sourcing team after completion of the Trading Partner Form. Email will come from [GMB-MED-GDSN@cardinalhealth.com](mailto:GMB-MED-GDSN@cardinalhealth.com) (upload instructions will be included)
3. Go to the [Cardinal Health Landing Page](#) and review the Cardinal Health [Implementation Guide](#)
  - Note: For existing item assortments review the "Existing Item Assortment Attributes" section
4. Publish your GDSN product content to the Cardinal Health Production **GLN 0630140000686**
