Hello Data Sync Partner,

We would like to announce a GLN addition to the Supervalu/UNFI network. Below is all the information you will need to send publications to Centralia, WA. Any existing items in Supervalu's system that are carried at this location need to be published as INITIAL LOAD. If there is any questions on whether your items are carried at this location, please respond and ask for an item sync report.

Location	DC Number	GLN	Ship To Address	Bill To Address
Centralia, WA	46	0041130039461	4002 Galvin Rd, Centralia, WA 98531	PO Box 11820, College Station, TX 77842

The GLN has been added to the following market groups in 1Worldsync:

*SUPERVALU- West Region*

*SUPERVALU- New Item Create*

Our implementation guides and GLN list on our landing page (see link in my signature) have been updated with these GLNs.
