Production: **1100001016020**

Feeding America's GDSN data pool is 1SYNC

Feeding America Data Synchronization Implementation Guide

2 STEPS TO BEGIN SYNCING WITH FEEDING AMERICA

1. Review the attribute requirements in Section 3 of this document to ensure you can meet our requirements.
2. Verify your data and load items into your data pool. Contact your data pool for any education needed to complete this step.
3. Complete the [Trading Partner Form](http://pdm.1sync.org/customers/feeding-america) at <http://pdm.1sync.org/customers/feeding-america>
4. Feeding America will create a subscription for your information provider GLN/Target Market U.S.
5. Publish to Feeding America GLN of **1100001016020**.
6. Feeding America will send the ACCEPT CIC back when they have processed the published item into their internal system.
7. Suppliers should continue to send changes and corrections for the items synchronized with Feeding America.

Feeding America Data Synchronization Implementation Guide

3 ATTRIBUTE REQUIREMENTS

3.1 1SYNC Data Pool Suppliers/Manufacturers

Feeding America requests suppliers to provide the standard GDSN mandatory attributes (refer to Appendix N of the *IM Participant Dictionary* on the 1SYNC Solution Center under the Implementation tab > Attributes, Validations, and Code Lists) and any other GDSN attributes; including the Foodservice Recommended Phase 1 and Phase 2 attributes. Refer to the Foodservice tab of the 1SYNC Solution Center to view the Phase 1 and Phase 2 Foodservice attributes (located within the "Implementation" folder).

3.2 Non-1SYNC Data Pool Suppliers/Manufacturers

Feeding America requests suppliers to provide the standard GDSN mandatory attributes and any other GDSN attributes; including the Foodservice Recommended Phase 1 and Phase 2 attributes. For suppliers/manufacturers that use a GDSN Data Pool other than 1SYNC, use this link to access the GDSN Foodservice Phase 1 and Phase 2 attributes:
