

Steps for synchronizing GDSN data with Feesers Food Distributors

1. Review the Feesers data synchronization Implementation Guide available at www.1worldsync.com/web/us/feesers for attribute requirements
2. Complete the Feesers [Trading Partner Form](#)
3. Feesers will create a subscription for your GLN and Target Market U.S.
4. Feesers will send an email notification to the supplier's primary data synchronization contact when they are ready to receive the first publication
5. Publish as Initial Load to Feesers GLN : **1100001020454**
6. Feesers will use the Catalogue Item Confirmation (CIC) message as follows:
 1. A CIC with the state of "ACCEPT" will automatically be sent when publication is received.
 2. At this time Feesers is sending only "ACCEPT" CIC message
7. Suppliers should continue to send all updates for the items synchronized with Feesers through your data pool.
