

June 15, 2015

Dear SUBWAY Valued Suppliers,

Independent Purchasing Cooperative (IPC) is excited to announce that we have recently partnered with 1WorldSync as our GDSN-certified data pool of choice. IPC asks that all of its suppliers currently publishing item information via the Global Data Synchronization Network (GDSN®) follow the steps below in order to continue publishing to IPC.

Next Steps

1. Complete the IPC [Trading Partner Form](#)
2. Review and follow the guidelines outlined in the new IPC Implementation Guide located [here](#).
3. Per the Implementation Guide, publish your item data to IPC's GLN 0825146000000.

Further information can also be found on the IPC Data Sync Landing Page at www.1worldsync.com/web/us/independent-purchasing-cooperative.

If you have additional questions on synchronizing your data with IPC you may contact 1WorldSync Customer Support at +1 866.280.4013 or email businessdevelopment@1worldsync.com.

Sincerely,

Lucelena Angarita
Quality/GS1 Program Manager
Independent Purchasing Cooperative
